TO WHOM IT MAY CONCERN

I worked with Mr. Antonis Georgiades during his employment at CableNet Communication Systems Ltd, as a Technical Support Representative from 3rd April 2017 to 25th June 2018. His main duties were to manage incoming and outgoing customers' calls, to provide information and to handle customers' inquiries.

Mr. Georgiades performed his duties with high degree of professionalism and has displayed the necessary skills and dedication which distinguished him as an employee. He has performed equally well working both independently and with others.

Given the above, I believe that the qualifications Mr. Georgiades possesses, enable him to perform successfully to any new challenges.

Yours Sincerely,
